SPEYSIDE

Fruity & Delicate

The lush, fertile valley of the River Spey is the heart of single malt whisky distilling in Scotland. Classic flavors of honey, vanilla and fresh fruits (apples, pears) combine to create whiskies that are both sophisticated and elegant. With age, and especially when matured in sherry casks, they evolve to deliver dried fruit and sweet spice flavors.

HIGHLANDS

Smooth & Floral

Rugged peaks and heather covered moor-land this is the largest of the whisky-producing regions and as such produces the widest range in styles of whiskies. From more coastal and peated whiskies in the north to softer fruitier whiskies in the south.
