ISLANDS & ISLAY

Peaty & Maritime

Rugged, windswept and barren, the island landscapes generally produce single malt whiskies with strong peaty, maritime aromas that are unmistakably powerful and bursting with flavor

SPEYSIDE

Fruity & Delicate

The lush, fertile valley of the River Spey is the heart of single malt whisky distilling in Scotland. Classic flavors of honey, vanilla and fresh fruits (apples, pears) combine to create whiskies that are both sophisticated and elegant. With age, and especially when matured in sherry casks, they evolve to deliver dried fruit and sweet spice flavors.
