

The success of Penfolds has been driven by the generations of visionaries and innovators.

From the beginning in 1844 to today, the merging of science, art and innovation has driven Penfolds to become one of Australia's most famed and respected winemakers.

After the success of early sherries and fortified wines, founders Dr. Christopher and Mary Penfold planted their vine cuttings they had carried on their voyage over to Australia.

In 1844 the fledging vineyard was officially established as the Penfolds wine company at Magill Estate.

‘Che noi si possa essere come il buon vino, che quando invecchia migliora: è più buono!

Il vino cattivo diventa aceto. Che noi si possa essere come il buon vino.

Che noi si possa invecchiare con sapienza, per poter trasmettere sapienza...’

‘That we can be like good wine, when it ages it improves: it gets better.

Bad wine becomes vinegar. That we can be like good wine.

That we can age with wisdom, in order to pass on wisdom...’

- Pope Francis I -
